Het Italiaanse hart van Spakenburg

*In the center of Spakenburg
beats an Italian heart.*

Started in Zweewolde, we opened our doors in Spakenburg in 2021 with one goal in mind: offering an enjoyable authentic Italian dining experience.

Our kitchen employs experienced chefs from, among others, Sicily, the island under the 'boot' of Italy.

We offer dishes that are fresh, tasty and simply unforgettable.

CAN'T CHOOSE? ☆

Our menu offers no fewer than 183 dishes (!), which is why we have marked the favorites of other guests and the chef with a star. Our team is of course ready to help you with any other questions.

VEGAN & MORE 🌱

The vegan dishes are indicated with a symbol. Do you have an allergy? Let us know. Pizzas can be prepared gluten-free for you, please feel free to request this.
